

ADOBE PHOTOSHOP CS3 - UPGRADE UNDERSTANDING NEW FEATURES OF CS3

COURSE OVERVIEW

This course aims to upgrade the skills and knowledge in using the new tools & features of Photoshop CS3.

Some of the things you will learn are working more efficiently in the new Photoshop interface, using non-destructive 'Smart Filters', exploring new capabilities of Vanishing point 2, making selections with ease and lots of tips & tricks.

WHO SHOULD ATTEND

Namely DTP artists and graphic artists or designers who are using or planning to use Photoshop CS3. It is also suitable for those who want to be familiar and stay up-to-date with the new capabilities of this latest version.

PRE-REQUISITES

This course is an advanced course for participants who are already familiar with the basics of Photoshop.

DURATION

1 day

PRICE

RM480 per participant

TIME

9.00 am - 5.00 pm with 1 hour lunch break

LOCATION

Teras One Solution

COURSE LEADER

Ms. Stephanie Wong

Adobe Certified Expert (ACE)
Adobe Certified Instructor (ACI)

Ms Stephanie Wong is one of the very few Adobe Certified Experts & Adobe Certified Instructors in South East Asia. With her vast experiences in various capacities coupled with pleasant personality, she always ensures her training sessions are easy-learning and fun.

Ms Wong holds a Bachelor of Arts in Advertising degree from the RMIT University, Australia. Since graduation, she has obtained various types of training including Desktop Publishing (DTP) software for Print & Web, Digital Workflow systems, Quickcut digital ad delivery products and other publisher related software.

Her specialised field is in Adobe application and she is actively involved in most Adobe events such as Photoshop World 2004 & 2006, InDesign World 2006. It warrants special mention of her participation in the congregation of the Adobe Training Provider Summit in the Adobe headquarters, San Jose, United States, where she exchanged experiences with fellow Adobe Certified Instructors around the world in 2005 & 2007.

In her 13 years of working experience, she has served in different capacities, i.e. Visualiser, Designer, Digital Integrator and Instructor and in various companies, i.e. a small company like Black and Brown Publications, a public listed company like The New Straits Times Press and an Australian owned company like Asia OnTime. Thus, her experiences are rich both in fields and levels. From all her past jobs, she has earned good reputation in the advertising fraternity and is therefore very well connected personally with over 100 agencies, printers, publishers and colour separators in Malaysia and Singapore.
